Dear Parishioners,

The 3 parishes of St. Ann, St. Patrick and St. Vincent de Paul, are a family and as such we are all going through this national crisis together. In times of need we reach out to one another to make sure we are all okay. This is one of those times that we can come together and help out in the smallest of ways to make sure all of us are okay.

That being said, every Monday and Thursday a group of volunteers within our parishes will come together to offer help by getting your medicines for you, picking up your groceries or your mail, **if you find yourself unable to do these errands, or you do not have any family available.**

This will be done through a phone call to either rectory on Monday or Thursday before 10 a.m. The rectory will notify a person who will then contact you.

When you call please remember to give your name, phone number, address and your request.

The phone numbers are: **St. Ann: 637-0157 and St. Patrick: 232-4427**
